Nesting Season Questions....let us help!

How close can I mount my Bluebird Nest Boxes to other boxes?

How far should my nest boxes be from my feeders?

When do Purple Martins typically arrive/leave Missouri?

Are all Bluebird eggs blue?

How can I keep my late-season Bluebird eggs from getting too hot to hatch (or the babies too hot to live/fledge)

What are typical Purple Martin predators in our area?

How many eggs does each pair of Purple martins lay?

Does the same Bluebird pair nest in my box every year?

Birds-I-View 512 Ellis Blvd Jefferson City, MO 573-638-BIRD(2473)

It's Nesting Season ...Don't miss out on the FUN!

Bluebird Courtship & Purple Martin Chatter.... What fun!

Bluebirds nest an average of three times per season here in Mid-Missouri. They will start **soon...**are you ready?
Purple Martins have already been reported in Mid-Missouri!

About the Program Speaker, Steve Garr:
