

Birds-I-View in Jefferson City presents:
“Selective Bird Feeding”

- Dispelling popular **Bird Feeding Myths**
- Attracting the greatest variety of desirable birds!
- A Perfect Match: the right bird food in the right feeder
 - Keeping Bird Seed fresh longer
- Discouraging “unwanted guests” at your feeding stations
 - Caring for your feeders for years of enjoyment!

What are you missing at your feeding stations?

Monday, January 21st

6:00 -7:00 pm
