

# Discover Nature at RUNGE

## **Adventure Birding & River Bluffs Audubon**

**September 8 • Saturday • 8-11 AM**

No registration required (ages 12+ years).

Are you new to birding or a seasoned birder? Either way, join us for a friendly, team birding competition at Runge. See how many species of birds you and your team can find. Enter your own team or call Runge to join one of ours. This a great way to learn about birds and to meet other birders in the area. Binoculars and field guides will be provided for those that need them.

## **Runge Bird Hike**

**September 12 • Wednesday • Starting at 7:30 AM**

No registration required (ages 10+ years).

Join MDC naturalists and area birders as we discover the avian life that call Runge home. These short birding hikes are for beginners, seasoned birders, and every experience level in between. This is a great way to learn more about birds and meet area birders. We will gather near the front doors of the nature center. Binoculars and field guides will be provided for those that need them.

## **What's Going On? Migrating Monarchs & Hummingbirds**

**September 22 • Saturday • 10 AM-2 PM**

No registration required.

Celebrate the amazing migrations of two famous summer residents, monarch butterflies and ruby-throated hummingbirds, and bid them farewell and good luck on their journey south. Enjoy indoor and outdoor activities and assist staff with tagging monarchs for research.

## **Runge Bird Hike**

**October 10 • Wednesday • Starting at 7:30 AM**

No registration required (ages 10+ years).

Join MDC naturalists and area birders as we discover the avian life that call Runge home. These short birding hikes are for beginners, seasoned birders, and every experience level in between. This is a great way to learn more about birds and meet area birders. We will gather near the front doors of the nature center. Binoculars and field guides will be provided for those that need them.
